Working with Samaritan Village – Helping Survivors of Trafficking

A house of refuge was bought by Samaritan Village. Mitchel L. Dawkins Sr. Outreach Ministry purchased new furniture to help get this house turned into a home for victims seeking comfort. I assisted with cleaning out the house, unloading and assembling the furniture, and making minor repairs on the house in record time to have it all done before the tenants arrived- but God! We got it done. Let's all join in prayer and deeds to put an end to modern slavery and trafficking of our precious children and young adults...and give them refuge.

Proverbs 14:26

“In the fear of the LORD is strong confidence: and his children shall have a place of refuge.”

Robin Hood for Young Mothers

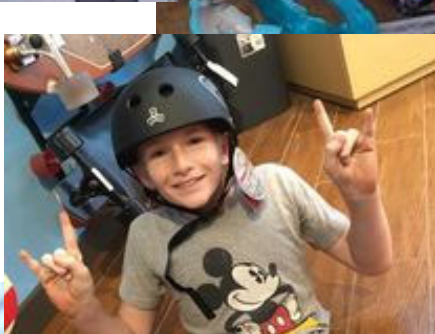

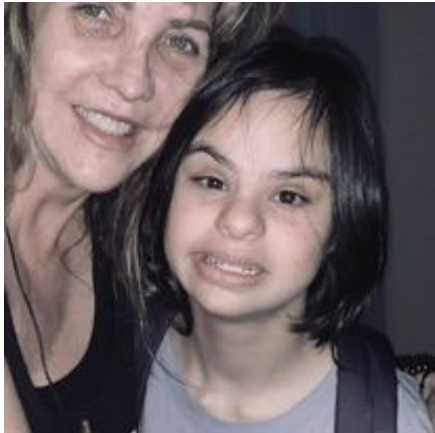

Find mothers of that received an abundance of baby items and ask them to sponsor anonymous mothers of need. I received car seats, carriages, baby and toddler clothes that still had the price tags and many toys.

Special Christmas for Special Needs & Low-Income Families

Sponsor Christmas for some Special families that have children of special needs.

Support Cancer Survivors

I was able to raise over a thousand dollars to support Stephanie with her daily cost of living bills. As a group we raised over ten thousand dollars!!! Cancer is becoming more and more prevalent. We need to all stand together and support each other... lift each other up!!!

Orlando Union Mission for Women and Children's Home

Thank you, Lord, for our blessings that we and our selfless friends were able to share and lift up our sisters of the Orlando Union Mission for Women and Children's Home. Amen!

There is no sin in having abundance; the sin is when we don't use our abundance to strengthen the lives of others!

Scholarship Donation for a Promising Young Women

We were all blessed yesterday by delivering the Dr. Mitchell L. Dawkins, Sr. Outreach Ministry, Scholarship Award to a deserving and highly motivated young woman. This year's recipient for the Scholarship is Tamera Sneed. We were able to bless her with a \$500 check that was matched by an anonymous donor, totaling \$1000 in Scholarship money. Tamera gave a dynamic and heartfelt testimony to all of us whom have seen her grow and grow throughout the years. She has always impressed us as a young lady that is destined to do great things. It was an honor to give her this helping hand.

Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.

Survival Kits for Homeless Women

We were able to give out over 135 survival kits to women, children, and men today. We visited the Orlando Union Women Shelter, and we also went down on Paramore to give out bags as well. It was so rewarding to share the love of Christ Jesus with each of them. Thanks to all of our new supporters and friends because we could not have done it without all of you. Love you guys. To God be the Glory!!!

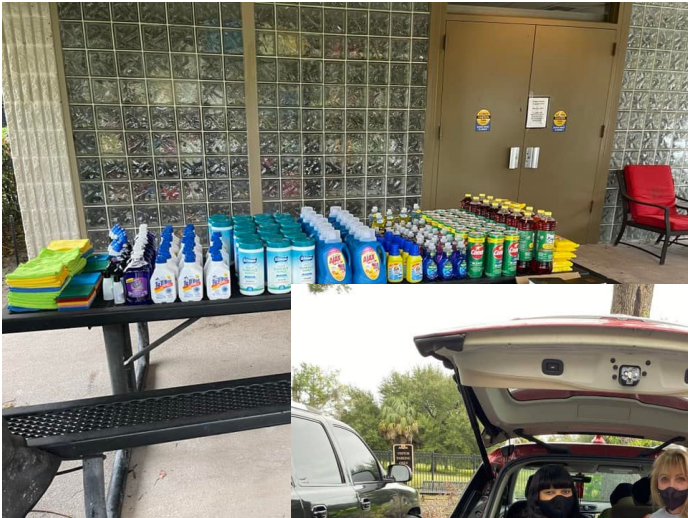

Backpacks for Kids

July 30, 2022

Thanks to the donations received from our amazing members, families, and friends, we were able to supply book bags and school supplies for five classrooms of students throughout our local counties. We share the responsibility to do our best effort to aid a child by enriching their mind, body and soul. We give them the tools to teach them to think and grow to become the great leaders of our future.

Thanksgiving for the Elderly

November 20th

With the help of your generous donations and our members, we were able to feed more than a hundred brothers and sisters for Thanksgiving. We went to Tranquil Terrace, Winter Park, to hand out Thanksgiving dinner bags full of Turkeys, mash potatoes, rice, mac & cheese, corn, green beans, yams, cranberries, cornbread, gravy, cake mix and icing.

We also handed out cleaning supplies and a home cooked Turkey Dinner with all the fixings to all the residents and other deserving families... we had plenty for all!!! Thank you all and our AWESOME CHEF!
