

THE VICTIM HAS NO MEANS TO ENFORCE THEIR RIGHTS, WITHOUT REPRESENTATION!

Florida Constitution Article I Section 16(b)

- Paragraph (6)(c) **I did not want the plea agreement.** It was unfair and unjust. I was bullied into agreeing. Once ASA told my lawyer the outcry witness would not testify on my behalf, they told me he could drop all charges. Now I have her interview, I have found out that she did support my outcry statements.
- Paragraph (6)(a) I didn't know what was going on with the case for over a year- ("It's too soon to tell you")
- Paragraph (1) I didn't want an advocate that didn't know the law (Advocate stated photos will be public)
- Paragraph (6)(a) I wasn't allowed to see any evidence or know about any witnesses (We can't tell you anything)
- Paragraph (6)(a) I wasn't told why they kept allowing continuances (We don't decide, the judge does, but I wanted to know because it keeps saying ASA Wiggins allows them to continue)
- Paragraph (5) I didn't like my name being published on the Clerk of Court Public Website
- Paragraph (2)&(4) I didn't like the Prosecutor not redacting my work address from the police report after I already sold my house to be safe from retaliation – just the address? How would that hurt?
- Paragraph (6)(a) I didn't like almost six months of my private emails to the Advocate/Victim's Counselor for the State, going to the defense (when she told me to email her since she was always busy, then she said, "all prosecutors are different")
- I got nervous when the advocate/victim's counselor didn't know what Marsy's Law was. So I looked for a lawyer
- Paragraph (3) I didn't like the rapists' family members contacting me and telling me they had friends in the Prosecutor's Office
- Paragraph (2) I don't like seeing my rapists at red lights, stores, and next door - when I would go to check on my post cancer sisters that depend on my care
- Paragraph (9) I don't know what to do to file for restitution.

18 U.S. Code § 3771. Crime victims' rights(a) Rights of Crime Victims. (10)The right to be informed of the rights under this section and the services described in section 503(c) of the Victims' Rights and Restitution Act of 1990 (42 U.S.C. 10607(c)) [1] and provided contact information for the Office of the Victims' Rights Ombudsman of the Department of Justice..

Good Morning Janet,

I hope you are doing well.

I need to make you aware of something... When you send me information regarding the case, I have to inform the prosecutor, who then has to disclose it to the defense attorney. If you would like to discuss any concerns that you may have... Please call me as we do not want the case affected in anyway.

You are welcome to email me regarding basic court related questions, but anything specifically regarding the case should not be discussed via email.

I will be in touch in the near future once I have updated after pre-trial.

Wishing you a great day!

Sincerely,

Failed to finish the restitution paperwork and/or follow-up with victim for restitution amount. ASA Wiggins didn't mark the Restitution for Victim on the Plea Bargain for Bounds and ignored my requests to fix it. (emails upon request) I had to get a lawyer to contact him twice, then there has not been any follow-up in over a year.

It appears that I neglected to indicate that restitution was ordered, but reserved as to the amount on your client's restitution and DNA Order. Do you have an objection to the Court entering an amended order in chambers? Please see the attached documents.

I had to tell [REDACTED] to get restitution for Bounds-I have not heard anything from the State Attorney regarding filing documentation for restitution.

This delay could cause the defendants to obtain early release from probation.
