# “Your Outcry Witness “THE NURSE” Doesn’t Remember You said You Were Sexually Battered” –But She Did

Ms. Kotz,

**Per your request, I just spoke directly to ASA.**

**CLICK HERE FOR THE RECORDED EXCERPTS OF THE NURSE’S TESTIMONY**

The offer that he made was to plea guilty to felony battery, 6 months jail + 4 ½ supervised probation, no contact with victim, random urinalysis, stipulate cannot seek early termination. In return, nol pros other counts. The critical testimony that set in motion this plea offer from the state is that a CentraCare nurse (the first place you went) is going to testify that you said “I was a minister, I had consensual sex and I don’t want to get in trouble.” Even if the nurse is wrong, she’s going to testify to it and he believes that a jury will then find them not guilty as soon as they hear this testimony from the nurse.

I inquired about you getting a copy of the discovery. The current policy of the State Attorney’s Office is that they are not allowed to send any discovery to third parties; they are only allowed to give it to you as a public records request once the case has ended. While they would show everything relevant to you as part of witness preparation, he can’t simply send it to you because of their office’s policy.

**WE HAD TO TAKE ASA’S  
WORD FOR IT –  
BUT IT WASN’T TRUE!!!**

794.022 Rules of evidence.—

(1) The testimony of the victim (sexual battery) need not be corroborated in a prosecution under s. 787.06, s. 794.011, or s. 800.04.

# SHE ASKED WHY ARE YOU SETTling FOR A PLEA?

## District 9, FL. ASA & Bureau Chief

### 1) We Expected a Video of the Rape.

- 1) (Victim) But you arrested and released the one that didn't record it. This gave him time to warn the other offender. There was WIFI at the Scene. They could have streamed it. You didn't see the confession, how do I know you checked their Phone records?

# YOU NEED IT ON VIDEO?

**FS794.022 Rules of evidence.—(1)** The testimony of the victim (sexual battery) need not be corroborated in a prosecution under s. 787.06, s. 794.011, or s. 800.04.

### 2) We Expected their friends to say they watched you scream for your clothes and did not help you.

- 2) (Victim) But they would have gone to jail...or at the very least, be charged with a misdemeanor. The sheriff has their phone numbers, how hard could it be to find them?

# YOU NEED THEIR FRIENDS TO TELL ON THEM?

**FS 794.027 Duty to report sexual battery; penalties.—**A person who observes the commission of the crime of sexual battery and who...is guilty of a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083. History.—s. 3, ch. 84-86; s. 1226, ch. 97-102.

(ASA ) “Yes, me and my boss did.”

(She Said) You know I didn't want to have sex

(He Said) I apologize

I was drunk and made a bad decision

(She Said) I begged you not to and you helped Kyle rape me too. You ripped my cervix and had to go to ER to stop bleeding

(He Said) I did not mean for this to happen

I'm very sorry

I hope you can forgive me

I drank too much

I am very sorry this happened

(She Said) Who is Kyle (Fake name introduce Steven as Kyle that night)

You weren't still drunk the next day

I was bleeding all over

I begged both of you not to

(He Said) Kyle is a buddy from a bar

I'm so sorry

You held me down

I begged and cried for you to stop

(He Said) 2 Hours Later: We didn't drug you or force you

Again, I'm sorry, there is no excuse, it got out of hand

(She Said) I liked you, you pulled off my shirt, I begged you to give it back

I am devastated by what you both did to me

(He Said) Again I'm very sorry

I am ashamed

I hope you can forgive me, It just got out of hand

I'm very sorry, I'm not making excuses

## FS794.023 Sexual battery by multiple perpetrators;

reclassification of offenses.—

(1) The Legislature finds that an act of sexual battery, when committed by more than one person, presents a great danger to the public and is extremely offensive to civilized society.

It is therefore the intent of the Legislature to reclassify offenses for acts of sexual battery committed by more than one person.

(b) A felony of the first degree is reclassified to a life felony.

PRESS RELEASE  
March 8, 2018

## Two Men Arrested for Sexual Battery

On February 18, 2018, deputies began the investigation of an adult female reporting two (2) males sexually battered her sometime around December 1, 2017. The female advised she had known Tyler Bounds for approximately 5 years and agreed to go out with him. Bounds arrived with a male friend the victim did not know, later identified as Steven Schneider. They traveled to Suburban Estates in the area of Holopaw where the men physically restrained the victim and repeatedly took turns forcing her to engage in sex acts. When the victim tried to resist, Bounds burned her with a lit cigarette. The victim received other injuries, which were documented when she sought medical attention following the rape. Additional physical evidence was found in Bound's vehicle to support the victim's allegations.

Bounds was arrested on February 22, 2018, for Sexual Battery (3 Counts). Schneider was arrested on March 6, 2018, for Sexual Battery (3 Counts) and False Imprisonment (1 Count).

### Florida Constitution Article I Section 16(b)

- Paragraph (6)(c) **I did not want the plea agreement.** It was unfair and unjust. I was bullied into agreeing. Once ASA told my lawyer the outcry witness would not testify on my behalf, they told me he could drop all charges. Now I have her interview, I have found out that she did support my outcry statements.
- Paragraph (6)(a) I didn't know what was going on with the case for over a year- ("It's too soon to tell you")
- Paragraph (1) I didn't want an advocate that didn't know the law (Advocate stated photos will be public)
- Paragraph (6)(a) I wasn't allowed to see any evidence or know about any witnesses (We can't tell you anything)
- Paragraph (6)(a) I wasn't told why they kept allowing continuances (We don't decide, the judge does, but I wanted to know because it keeps saying ASA allows them to continue)
- Paragraph (5) I didn't like my name being published on the Clerk of Court Public Website
- Paragraph (2)&(4) I didn't like the Prosecutor not redacting my work address from the police report after I already sold my house to be safe from retaliation – just the address? How would that hurt?
- Paragraph (6)(a) I didn't like almost six months of my private emails to the Advocate/Victim's Counselor for the State, going to the defense (when she told me to email her since she was always busy, then she said, "all prosecutors are different")
- I got nervous when the advocate/victim's counselor didn't know what Marsy's Law was. So I looked for a lawyer
- Paragraph (3) I didn't like the rapists' family members contacting me and telling me they had friends in the Prosecutor's Office
- Paragraph (2) I don't like seeing my rapists at red lights, stores, and next door - when I would go to check on my post cancer sisters that depend on my care
- Paragraph (9) I don't know what to do to file for restitution.
